

# Manufacturer #MarketingMUG Momentum Planner

Momentum isn't achieved overnight. One of the biggest secrets to creating marketing success is to make small but consistent process daily and weekly

Write down your primary goals (small things) for the next four weeks and why each one is important to you – what will it mean to you and your business. This will help you stay associated to your purpose and maintain motivation.

The write down the resources i.e., people, systems, tools that can help you achieve each goal more quickly

Week	Primary Goal	Why this is Important	Resources
