

# INTERNAL AUDIT TRAINING GENERAL

## ➤ WORKSHOP DESCRIPTION:

Equips participants with the knowledge and skills to conduct internal audits that are objective, structured, and value driven. It emphasizes the auditor's role in supporting organizational improvement by applying professional judgment, gathering and analyzing evidence, and communicating findings effectively. This workshop is part two of three required to train internal auditors. The next course in the series concentrates on the requirements of the standard your organization follows. Impact Washington offers training in ISO 9001, AS9100, ISO 14001, and ISO 13485.

## ➤ WHAT PARTICIPANTS WILL GAIN:

This 8-hour workshop is designed for new auditors and current auditors seeking to improve their skills who already have a working knowledge of the benefits of Quality Systems. Each participant will receive a certificate of participation.
